MESSAGE

I would like to extend a warm welcome to delegates to GUT 2011. This meeting comes a few months after a successful APDW 2010 meeting held in Kuala Lumpur. The scientific committee chaired by Dr Tan Huck Joo and Professor Dato’ Goh Khean Lee has drawn up an extensive programme that will appeal to a wide audience. We have carefully selected a panel of experts from various parts of the world who are leaders in their own fields of expertise.

The meeting will be for three days with interactive breakfast sessions on specialised topics for more intimate discussions and lectures, symposia, Young Investigators’ Session and very popular case discussions.

This year’s MSGH Oration will be given by Professor Colm O’Morain and the Panir Chelvam Lecture by Professor J Y Kang.

In addition to attending the comprehensive meeting, I hope you have time to enjoy our hospitality and beautiful sites around Kuala Lumpur and Malaysia!

DISCLAIMER
Whilst every attempt would be made to ensure that all aspects of the Conference as mentioned in this announcement will take place as scheduled, the Organising Committee reserves the right to make last minute changes should the need arises.
GUIDELINES

1. Delegates are invited to submit papers for poster presentation. Five of the best submissions for the Young Investigator’s Award shall be selected for Oral presentations.

2. Only abstracts received by 30th April 2011 and accompanied by appropriate registration fees will be considered.

3. Abstracts must be in English.

4. The length of each abstract should not be more than 400 words.

5. The title (in bold full capitals) should be concise yet bear sufficient details to identify the nature of the study.

6. The name of the main author should be underlined. Institution from which the work originated, city and country should be included. Omit degrees and institutional appointments.

7. The body of the abstracts should be organised in the following sequence: Objective(s), Methodology (if pertinent), Results (graphs are permitted), Discussion and Conclusion(s). Abstracts which do not include Results and Conclusion(s) will be rejected. Abbreviations, if used, must be included in full at some point in the text. Abbreviate measurements (mm, kcal) as recommended in the Style Manual of Biological Sciences and System International (S.I.) units should be used.

8. Drugs should be given in generic terms (in small letters) at first mention in the text, to be followed by the proprietary name (capitalised) if desired.

9. Abstracts can be submitted online at www.msgh.org.my. The closing date is 30th April 2011.
